

LJ's School Food Service—Quick facts

LJ's Food Service (TJ Rocco Enterprises) is a registered Food Service Management Company and we follow the nutritional plans for public school lunches overseen by the Dept of Child Nutrition.

- We offer online ordering, cancellations, changes to orders and credits up to 2 midnights (48 hours) before the meal is served.
- If parents miss the online cutoff time, they can call us directly the morning of the meal to cancel or add a meal.
- We handle all parent calls, same day lunches, cancelled lunches, snow day credits, questions regarding food service, etc.
- We can provide service 5 days a week or once a month. We can customize to each school\center. Parents can order any time for any number of meals.
- We offer complete meals, protein, grain, vegetable and fruit. Additional meal patterns and\or pricing are available.
- Meals are individually portioned and labeled for the children.
- We email you a detailed list of each child receiving lunch by 8:00 AM each morning.
- We offer full credits for snow days.
- We create a welcome packet for the families to distribute with new enrollment.
- Customized food service website including Food Allergy Information.
- We are a full service caterer offering off premises catering and dinners to go for the families in your program.
- Member of the **National School Nutrition Association**.
- LJ's Management attends quarterly meetings and workshops providing up to date NJ School Nutrition Guidelines.
- Currently Serving: Private Schools, Public Schools, Religious Schools, Charter Schools, Daycares, Summer Camps, Sport Camps. References available upon request.
- Major corporate caterer, providing thousands of meals per day including: school lunches, corporate and themed lunches, and breakfast programs.

If you are interested, please contact us directly and we would be happy to send you more information via email OR we can visit the center\school to bring food samples, sample meal packaging, the parent information packet and help answer Q&A's regarding our program and how it works.
